PROFESSIONAL SUMMARY

Innovative and detail-oriented UI Designer with over 10+ years of experience crafting intuitive and engaging user interfaces for web and mobile applications. Adept at transforming complex requirements into elegant designs that enhance user experience and drive business goals. Proven track record of collaborating with cross-functional teams and stakeholders to deliver high-quality design solutions on time and within budget.

PROFFESSIONAL EXPERIENCE

Senior UI Designer | KGISL Technologies Pvt Ltd

August 2016 - Present, Coimbatore.

- Collaborate closely with product managers, developers, and UX researchers to ensure seamless integration of UI elements and functionality.
- Created wireframes, prototypes, and high-fidelity designs using industry-standard tools such as Adobe XD and Figma.
- Mentor junior designers, providing guidance on best practices and design techniques, fostering a culture of continuous learning and improvement.
- Develop and maintain design systems and style guides to ensure consistency across all products and platforms.

UI Designer | Genuine Infotech Pvt Ltd

August 2013 - 2016, Coimbatore.

- Designed and implemented user interfaces for web and mobile applications, contributing to a 25% increase in user retention.
- Participated in design reviews and provided constructive feedback to peers, enhancing overall design quality.
- Assisted in the creation of marketing materials and branding assets, ensuring visual consistency and alignment with corporate identity.

Website Designer | Univedge Technologies

August 2012 - 2013, Coimbatore.

- Created innovative website designs that aligned with brand guidelines and met client requirements. Delivered engaging and user-friendly interfaces that enhanced the overall user experience.
- Converted Photoshop (PSD) designs into high-quality, responsive HTML/CSS code. Ensured pixel-perfect accuracy and adherence to design specifications.
- Employed semantic HTML5 elements to enhance the structure and accessibility of web pages. Implemented best practices for SEO and web standards compliance.
